12th Assembly District Democratic Club Endorses Janet Reilly for Assembly

San Francisco, CA – Janet Reilly, Democratic Assembly candidate, today announced that she has received the endorsement of the 12th Assembly District Democratic Club.

Janet Reilly said, “This club represents the Democrats who live in the 12th Assembly District, so it’s such an honor that they have chosen me as the best Democrat to represent them in Sacramento.”

Jane Kwong, President of the Assembly District 12 Democratic Club, said, "Democrats in San Francisco and San Mateo county believe Janet Reilly is the substantive leader we need fighting for us in Sacramento. Janet isn't just talking about reform, she has real plans for change. We are proud to endorse her and know she will stand up for solutions on health care, education and the environment that will improve life for the families of the 12th Assembly District."

Democrat Janet Reilly currently serves as a Director of the Golden Gate Bridge Board. Janet is a former journalist and has an extensive background in the non-profit world. Janet Reilly believes that we are never going to have real reform in Sacramento until we elect public officials who are willing to advocate for the bold solutions that are going to make a difference. That’s why she has offered concrete plans to heal our broken health care system, protect our environment and help bring excellence and access back to public schools, colleges and universities.

Janet Reilly has also received the endorsements of a majority of the San Francisco Board of Supervisors, Assemblyman Leland Yee, SEIU, the Sierra Club, the San Francisco Fire Fighters Local 798, National Women’s Political Caucus, Harvey Milk LGBT Club, City Attorney Dennis Herrera, State Controller Steve Westly, SF for Tomorrow, California Faculty Association, former Daly City Mayor Carol Klatt, and SF Tenants Network.
