Endorse Janet Reilly for Assembly**

San Francisco, CA – Democratic Assembly candidate in the 12th Assembly District, Janet Reilly, today announced that she has received the endorsement of the Communication Workers of America (CWA), Local 9410 and CWA Northern California Nevada Council.

Janet Reilly said, “I am so proud that the working families of CWA have joined our coalition for reform. CWA has been a leader in innovative training, education programs and child and family care provisions that are considered pacesetters in the modern workplace. I look forward to working closely in Sacramento with the men and women of CWA to pass the comprehensive solutions on health care, education, transportation and the environment that are going to create good paying jobs and improve the lives of working men and women across our state.”

Democrat Janet Reilly currently serves as a Director of the Golden Gate Bridge Board. Janet is a former journalist and has an extensive background in the non-profit world. Janet Reilly believes that we are never going to have real reform in Sacramento until we elect public officials who are willing to advocate for the bold solutions that are going to make a difference. That’s why she has offered concrete plans to heal our broken health care system, protect our environment and help bring excellence and access back to public schools, colleges and universities.

In the last two weeks, a broad coalition of new organizations have joined the Reilly campaign, including the National Women’s Political Caucus, the San Francisco Women’s Political Committee, San Francisco Tomorrow, the District 11 Democratic Club, the Harvey Milk LGBT Club, the League of Young Voters and SF for Democracy.

These groups join the SEIU state council, the Sierra Club, the California Faculty Association, Assemblyman Leland Yee, a majority of the Board of Supervisors, City Attorney Dennis Herrera, former Daly City Mayor Carol Klatt and a broad coalition that represents the diversity of Assembly District 12.
