### **Filipino American Democratic Club Endorses Janet Reilly for Assembly**

Today Democrat Janet Reilly, 12th Assembly District candidate, announced the endorsement of the Filipino American Democratic Club, which represents one of the largest constituents in the district.

Janet Reilly said, "Our coalition for change gets larger every day. The 12th Assembly District is home to one of the largest Filipino populations in the country, so it's a tremendous honor to win the support of these Democratic families. I look forward to working with the Filipino community to create a healthier California."

Democrat Janet Reilly currently serves as a Director of the Golden Gate Bridge Board. Janet is a former journalist and has an extensive background in the non-profit world. Janet Reilly believes that we are never going to have real reform in Sacramento until we elect public officials who are willing to advocate for the bold solutions that are going to make a difference. That's why she has offered concrete plans to heal our broken health care system, protect our environment and help bring excellence and access back to public schools, colleges and universities.

This week Reilly also received the endorsement of the 12th Assembly District Democratic Club. Janet Reilly's coalition for change includes a majority of the San Francisco Board of Supervisors, Assemblyman Leland Yee, SEIU, the Sierra Club, the San Francisco Fire Fighters Local 798, National Women's Political Caucus, Harvey Milk LGBT Club, City Attorney Dennis Herrera, State Controller Steve Westly, SF Tomorrow, California Faculty Association, former Daly City Mayor Carol Klatt, and SF Tenants Network.
